"BESTSTICH CAN'T BE SUCCESSFUL UNLESS OUR FRANCHISEES ARE SUCCESSFULL."

PRIYANKA FOUNDER

OUR FOUNDER UNDERSTOOD DEEPLY THE PIVOTAL ROLE OUR FRANCHISEES PLAY IN OUR SUCCESS—AS A COMPANY AND AS A MEMBER OF OUR COMMUNITIES. HEAR FROM SOME OF OUR FRANCHISEES.

# LAXMI'S STORY FRANCHISE KERALA

I am a professor of the Government College in Kerala knew I could finally work toward my childhood dream of owning a business. After carefully considering several options, my husbandand I selected beststich.

As a franchise owner, I have a platform to make an impact in the community and support organizations near and dear to me, including the Boys and Girls outfits and several Ethnic wear options. We help our self learn and grow through the benefits beststich offers, be it additional education or life-skill development, and continuously look for ways to make it fun to work in our Boutique

I was given opportunities by people who believed in me. Their belief built my confidence, and that is why I am where I am today.

I know that others need that same support and encouragement. The ability to instill confidence in others to achieve their goals is what drives me. My family and I are now positive influencers in our community and are brand ambassadors everywhere we go.

# DEEPTHI & PRASHANT'S STORY FRANCHISE MALAD MUMBAI

"Beststich's has provided me the opportunity to connect with a much broader part of society as well as the skills to influence others in a positive way.

Already having my profession in Acting industry Abhinay Academy I am continuously creating new upcoming actors, I knew I wanted to be in a position where my employees could count on me. I was initially drawn to Beststich and took the franchise because of the opportunity to work with and serve a cross section of Mumbai and to be a part of a brand where the employees are passionate about their work every day, and successfully delivering quality designer wear in very reasonable price now surrounded by a team of motivated individuals who are a positive force for change in the community and organization."

### RACHANA'S STORY

#### FRANCHISE · PUNE & SHOLAPUR

I believe a successful leader has a duty to give back, to train, and to share the results to help make our communities stronger.

By investing in my team, we have had the opportunity to transform a number of boutiques. We have had customers from around the world come to see what we do and how we've done it. That's personally satisfying, but I'm most excited by what I see in my team.

I love to help people rise up above what they thought they were capable of and become strong leaders.
